Dear Chris

SUTTON POYNTZ NEIGHBOURHOOD PLAN EXAMINATION

Further to the Examiner's procedural letter dated 14 August 2019, please find enclosed larger scale maps of the neighbourhood plan area (Map 1) and listed local plan policies (Map M-HP 1.1) as requested by the examiners second and fourth questions.

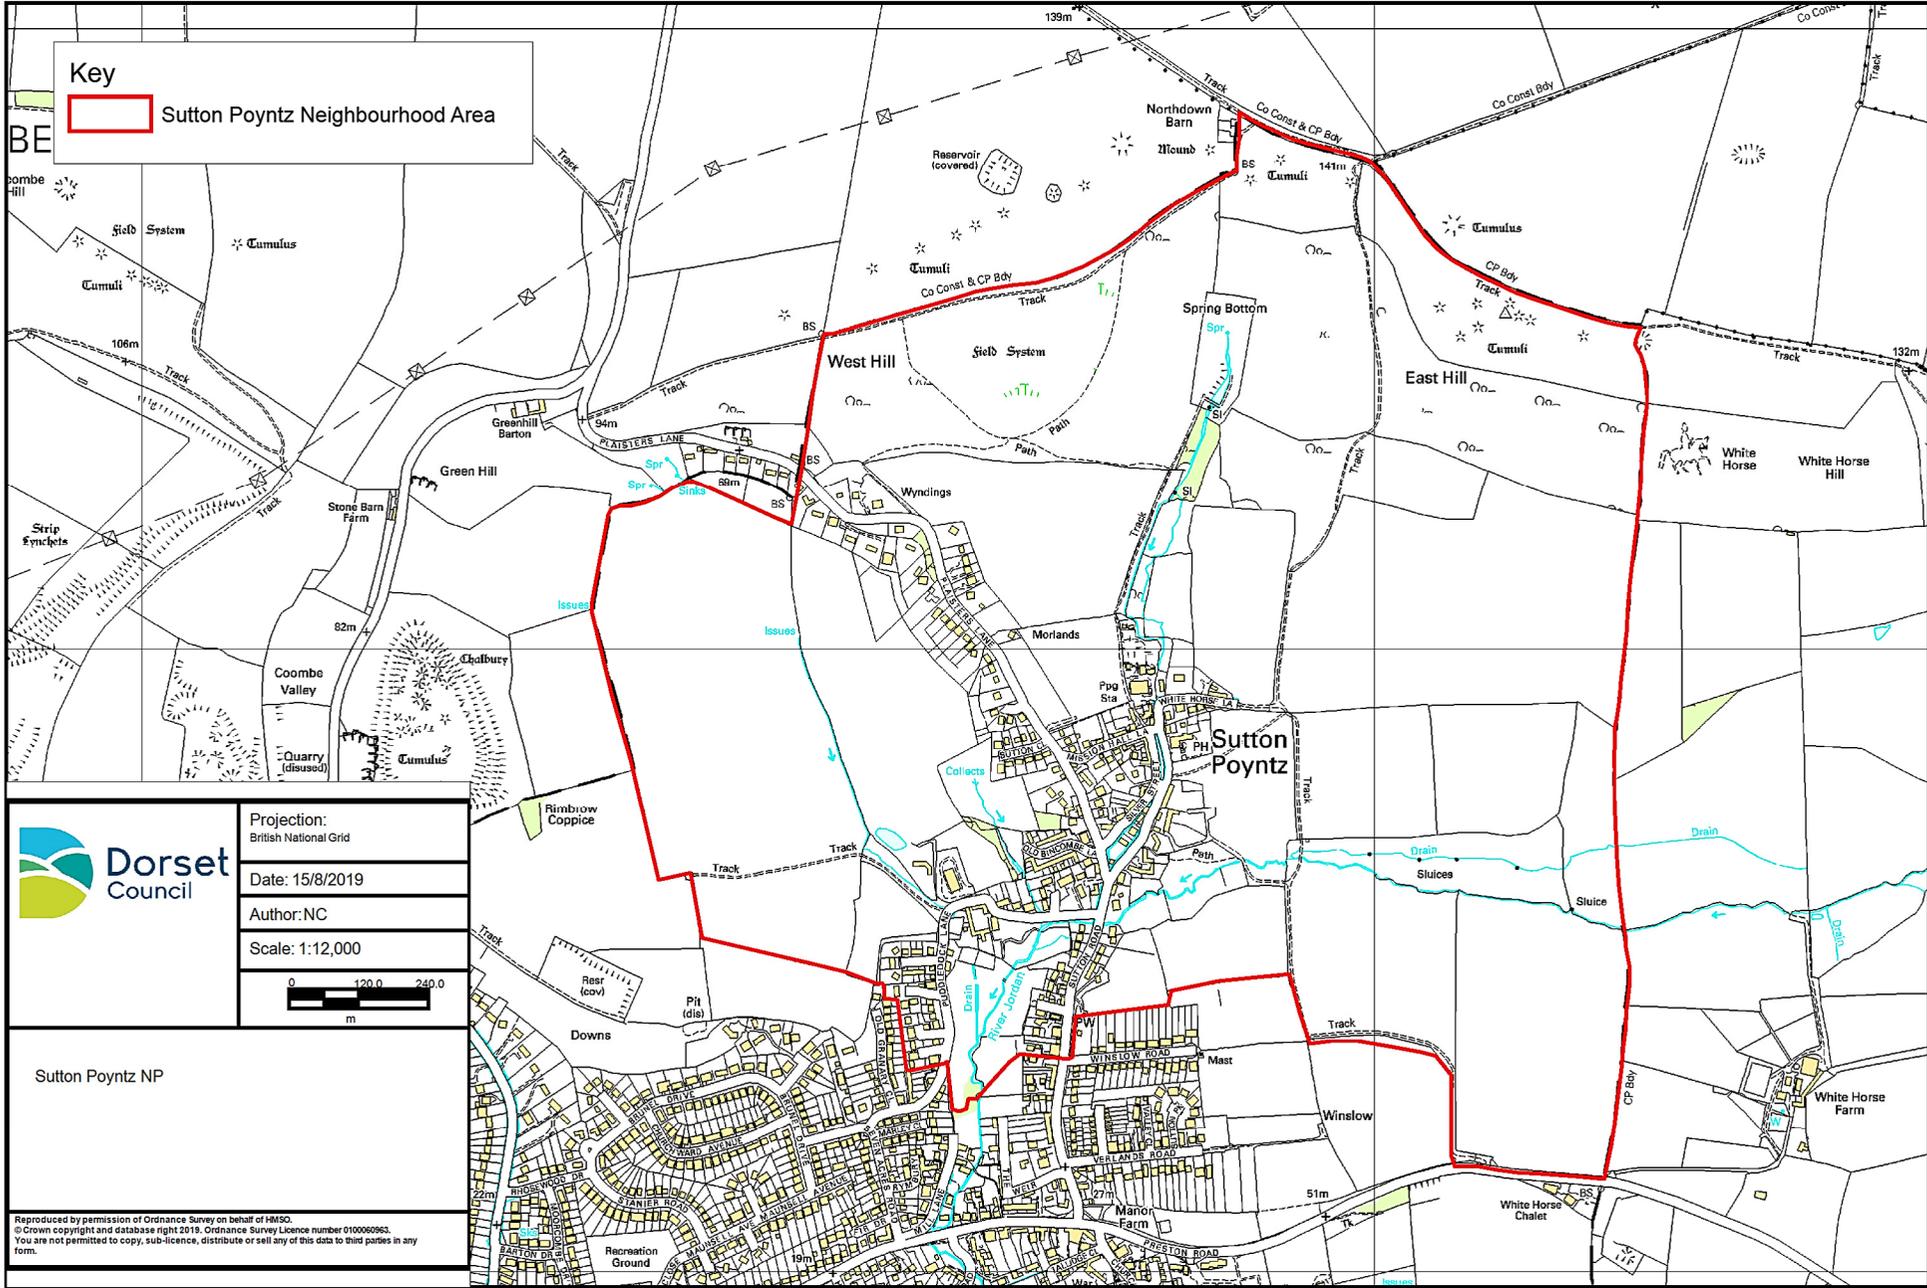

Both maps have been printed at a scale greater than 1:25,000 so that individual properties can be identified. The map scaling is accurate when printed at A4 but have been provide on both A4 and larger A2 paper for convenience.

Local Plan polices can also be viewed on the Councils Local Plan interactive mapping which has a greater range of zooming. <http://www.planvu.co.uk/wdwp/index.php>

Electronic and paper versions of the maps have been provided in advance of the Councils formal response to the questions listed in the Annex to the examiners letter in order to facilitate the planned site visit.

Yours sincerely,

Nick Cardnell
Senior Planning Officer
Spatial Planning
