Dear Sir/Madam

NOTICE OF INTENT TO UNDERTAKE A NEIGHBOURHOOD PLAN, BY WOOL PARISH COUNCIL.

Please accept this letter as the intention of Wool Parish Council to undertake a Neighbourhood Plan. It should be noted the aim of this plan is not to interfere with the current Local Plan Review. Wool Parish Council understands that a consultation is being carried out and the results that will be published will form part of any development within Wool Parish.

The intention of this plan at this stage is to provide to shape development for future generations not only for housing but employment and infrastructure.

Wool Parish Council is committed to working together with all partners to ensure the continuous development of the local area. We have enclosed a map of the area we would like to progress planning. The area includes the full parish of Wool, a small section of Winfrith and East Stoke. Both neighbouring parishes will be consulted and advised of the intention of the Wool Parish Plan.

Yours sincerely,

Jacqui Hughes
Parish Clerk
