

MATTER 9

Rep No 5532

L D Gloyn-Cox

9.1 Swanage Town Council has a statutory duty to provide allotments. At the time the Core Strategy was prepared there was a long waiting list for allotments in Swanage. Purbeck District Council, not Swanage Town Council, has the necessary powers to obtain land for Swanage Town Council to fulfil its statutory obligations. Policy GI was, therefore, not consistent with national policy because it failed to address the problem.
