Subject: r (app trail riders v dorset cc)

Lord Carnwath has directed me to write to the parties as follows:

“The court sees no reason to vary the terms of the order which was agreed between the parties, and reflected the form of the relief sought in the original claim. Had the council wished to challenge the validity of these applications on other grounds within schedule 14 para 1, they should have done so expressly in these proceedings or reserved their position. That not having been done, it is too late to raise such issues at this stage.”

Kind regards, and thanks for your patience!

Ian
