# Poole Harbour Aquatic Management Plan

## Policy Details

What is this policy for?	To promote the safe and sustainable use of Poole Harbour, balancing the demands on its natural resources, minimising risk and resolving conflicts of interest.  The Plan looks at ways of maintaining sustainable levels of economic and social activity within the Harbour and its hinterland, while protecting its natural environment. It considers the activities of all those involved in the development, management and use of the Harbour within a framework that facilitates the integration of their interests and responsibilities.
Who does this policy affect?	Managers and users of Poole Harbour and the communities around the harbour.
Keywords	Poole Harbour, recreation, Special protection area, nature conservation, water quality, pollution, fisheries, marine safety.
Author	Poole Harbour Commissioners
Dorset Council policy adopted from	Dorset Council has adopted policies from its constituent councils. Please be aware varying policies apply within the Dorset Council area. Policies will be reviewed and/or harmonised by 1 April 2021.
Does this policy relate to any laws?	
Is this policy linked to any other Dorset Council policies?	Management Scheme for the European Marine Site. (The Conservation (Natural Habitats etc.) Regulations 1994.
Equality Impact Assessment (EqIA)	An EqIA will be completed when the policy is reviewed/harmonised for Dorset Council.
Other Impact Assessments	None.
