Subject: Chesil Bank Neighbourhood Plan - Submission Consultation: National Highways response

Categories: Green category

Dear Neighbourhood Planning team

Thank you for providing National Highways with the opportunity to comment on the submission version of the Chesil Bank Neighbourhood Plan. We note that the Plan area includes the Parishes of Abbotsbury, Fleet, Langton Herring and Portesham. National Highways is responsible for operating, maintaining and improving the strategic road network, which in this case comprises the A35 trunk road which passes some distance to the north of the Plan area.

Having reviewed the Plan we are satisfied that the Plan's proposed policies are unlikely to result in a scale of development which will adversely impact on the safe and efficient operation of the strategic road network and we therefore have no comments to make.

This does not however prejudice any future responses National Highways may make on site specific applications as they come forward through the planning process and which will be considered by us on their merits under the prevailing policy at the time..

Regards
Gaynor
