

Dorset Library Strategy Our plans for 2023-2033

Introduction

This strategy is about:

- the library services we have now
- what we want to achieve
- our plans

Plan

We have listened to what local people want and need:

- **12,500** people filled in surveys
- we ran **21** workshops
- we interviewed 40 people who do not use libraries

Dorset Council runs services for local people, including:

libraries

recycling and waste collection

• care and support for adults, children and families

education and training

housing

Our libraries

- 23 libraries are run by Dorset Council
- 8 libraries are run by volunteers

Examples of library services:

Books

We lend books, audio books and large print books to people for free.

Events and activities Libraries run events for people of all ages.

Support from library staff Our staff and volunteers can help you to find the information you need.

Computers and free WiFi You can use our computers, free WiFi, printers and scanners.

Room hire and work space Libraries have space to study or work. Some libraries have rooms for hire.

Home Library Service

If you are unable to leave your home, we may be able to bring books to you. Contact us to find out more.

Digital Support

Library staff help people to use computers. There are drop-in sessions and a Digital Hotline.

We help people to:

- get online
- apply for jobs and benefits

• find information about other local services

- learn new skills
- keep in touch with family and friends

Customer Service Support

Library staff help people to find information about other local services.

You can:

- get information about Dorset Council's services
- get a referral to Citizen's Advice
- find learning opportunities

- find out about business support
- learn about ways to help the environment and stop climate change

Activities and events

Activities and events at the library help you to make friends, learn new things, and have fun.

For example:

- lego club and rhyme time
- reading groups
- computer coding clubs
- support groups
- craft clubs

E-services

You can use e-services at any time, from anywhere.

Use our e-services on your computer, tablet or smartphone.

E-services include:

- our website
- e-books and e-audio books
- e-newspapers and e-magazines

If you have not used our e-services before, library staff can help.

Our libraries will help people to learn, grow and meet each other.

People will always have a place to:

- feel welcome
- read for learning and fun
- get online
- meet people

Everyone will know:

- what local libraries have to offer
- when they are open
- how to get involved with their local library

Our aims

We want our libraries to **inspire**, **connect** and **enable** people.

Inspire People of all ages can access information, learning and culture.

Connect

Everybody has the local library services they want and need.

Enable

Libraries are accessible, safe and welcoming - for visitors, staff and volunteers.

Our plan

There will be 3 types of library:

Library Open 18 hours per week

Trained staff and volunteers will run all the standard library services.

Books, activities, computers, wifi, printing, digital support, e-services.

- Beaminster
- Corfe Mullen
- Crossways
- Lyme Regis
- Lytchett Matravers
- Sturminster Newton

- Upton
- Verwood
- West Moors
- Wyke Regis

Library Plus Open 30 hours per week

All standard library services, plus a bigger range of events and activities.

- Gillingham
- Littlemoor
- Portland
- Shaftesbury

- Sherborne
- Swanage
- Wareham
- Wimborne

Library Connect

Open 42 hours per week

All standard library services, a bigger range of events and activities, plus adult learning and more space to work.

- Blandford
- Bridport
- Dorchester

- Ferndown
- Weymouth

Opening Times

In each of our 3 local areas, there will always be an open library during these hours:

- Monday to Friday: 10am 6pm
- Saturdays 10am 4pm

Local people and organisations can work with us to:

• find, train and support volunteers

• increase the opening hours, if that is what local people want

What next?

The changes will happen from April 2024 to March 2025.

We will:

 find out whether the plans are working

- listen to any concerns
- work together to make our library services the best they can be!

Managers and **Councillors** will also make sure our plans are working well for local people.
