Planning Decision Notice

Outline Planning Permission

Town and Country Planning Act 1990

Town and Country Planning

(Development Management Procedure) (England) Order 2015

Application Number: P/OUT/2023/02644

Location: Land west of Church Hill, and Land off Butts Close and Schoolhouse Lane, Marnhull

Description: Hybrid planning application consisting of:

Full planning permission for a mixed-use development to erect a food store with cafe, plus office space and 2 No. flats above. Erect building for mixed commercial, business and service uses (Class E), (e.g. estate agents, hairdresser, funeral care, dentist, vet). Form vehicular and pedestrian accesses and parking. Form parking area for St. Gregory's Church and St Gregory's Primary School. Carry out landscaping works and associated engineering operations. (Demolish redundant agricultural buildings). Land west of Church Hill.

Outline planning permission (to determine access) to erect up to 120 dwellings. Land off Butts Close and Schoolhouse Lane.

Dorset Council **refuses** planning permission for this development as detailed in the application. In making this decision the Council considered whether the application could be approved with or without conditions or should be refused.

This planning permission is refused for the following reasons:

1. The proposed development by reason of its location outside of the settlement boundary of Marnhull would be contrary to Policies 2, 6, and 20 of the adopted North Dorset Local Plan Part 1 (January 2016).

2. The proposed development includes main town centre uses (use class E) measuring 2,356 sqm which is not considered to be small scale rural development contrary to Policies 2, 11 and 12 of the adopted North Dorset Local Plan Part 1, and paragraphs 90 and 91 of the National Planning Policy Framework.
3. Insufficient details of the proposed development have been submitted to enable the Highway Authority to fully assess the highway safety and sustainable transport implications of the proposal and, consequently, it is not clear whether the proposal would be likely to endanger road safety or result in other transport problems contrary to Objective 6 – Improving the Quality of Life, and Policies 2 and 13 of the adopted North Dorset Local Plan Part 1, and paragraphs 108 criteria d) and e), and paragraph 117 of the National Planning Policy Framework.
4. The proposed development by reason of its siting, scale (in terms of mass and quantum), and appearance would have a less than substantial harm on grade I listed Church of St Gregory, grade II* listed Senior's Farmhouse and Attached Barn, and Marnhull Conservation Area. It is considered that the harm identified would not be outweighed by the public benefits of the proposal contrary to Policies 2 and 5 of the adopted North Dorset Local Plan Part 1, and paragraphs 199, 200, and 202 of the National Planning Policy Framework.
5. The proposed development would require financial contributions towards off-site improvements and possibly on-going maintenance, ecology, and affordable housing, that must be secured by a Section 106 legal agreement. The applicant has not submitted such an agreement, contrary to policies 4, 8, 13, 14, and 15 of the North Dorset Local Plan Part 1 (January 2016).

National Planning Policy Framework

In accordance with paragraph 38 of the NPPF the council, as local planning authority, takes a positive approach to development proposals and is focused on providing sustainable development. The council works with applicants/agents in a positive and proactive manner by: - offering a pre-application advice service, and - as appropriate updating applications/agents of any issues that may arise in the processing of their application and where possible suggesting solutions.

In this case:

- The applicant/ agent did not take the opportunity to enter into pre-application discussions.
- The applicant was advised that the proposal did not accord with the development plan and that there were no material planning considerations to outweigh these concerns.
- The applicant was offered the opportunity to submit amended plans to overcome concerns identified by the case officer but chose not to do so.

Planning Decision Notes

Power to refuse planning permission

This decision is issued by Dorset Council as the local planning authority set out by the Town and Country Planning Act 1990 (as amended) and the Town and Country (Development Management Procedure) (England) Order 2015 .

Site Notice

If you have not already done so I would be grateful if you could take down and dispose of this application's site notice if it is still being displayed outside the property.

Appeals

If you disagree with our planning decision or the attached conditions, then you can appeal to the Secretary of State (Planning Inspectorate) under section 78 (1) of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within Six Months of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against our enforcement notice, then you must do so within 28 days of the date of service of the enforcement notice.

If you intend to submit an appeal that you would like examined by inquiry, then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

An appeal must be made by the applicant. Forms are available on-line at Appeals - Appeals - Planning Portal

The Planning Inspectorate can allow a longer period for giving notice of an appeal, but they will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Planning Inspectorate need not consider an appeal if it seems that we could not have granted planning permission for the proposed development or could not have granted it without the conditions imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

The Planning Inspectorate does not normally refuse to consider appeals solely because we based our decision on a direction given by them.

For further information about making can be found at www.planningportal.co.uk.

Southern Gas Networks – Overbuild Advisory

There are several risks created by building over gas mains and services. If you plan to dig, or carry out building work to a property, site or public highway you should check your proposal against the information held at <https://www.linesearchbeforeudig.co.uk/> for any underground services.

Purchase Notices

If either the Council or the Planning Inspectorate refuses permission to develop land or grants it subject to conditions, the owner, in exceptional circumstances, may claim that neither the land can be put to a reasonably beneficial use in its existing state, nor can the land be rendered capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

If this happens, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
