**Very Good Value**

"My wife and I have just returned from a three night stay at Dilly Dally's. We were the only ones on our first visit, and it is easy to see why people keep returning. As other contributors have said the welcome is warm, the food is good and the amenities are just right. The weather was very cold when we arrived; snow wasn't our first choice for a naturist vacation! The tea room was lovely and warm, and a nice spot for some cosy chatting to other guests. The two jacuzzis were lovely and warm, but the pool was out of action because it was too cold to get the water up to temperature. The steam room and sauna were both popular places over the weekend. There is a comfortable lounge with sky tv, the aforementioned tea room and a large barn with a pool table which was the venue for an..."

**A great weekend**

"We booked the whole accommodation for members from our Naturist club. As ever the facilities were beautifully clean and even though the weather was awful the welcome was warm. In fact the only things warmer were the two Hot Tubs. The food was outstanding too. Can't wait till next time."

**Excellent accommodation**

"We have been going to Dilly Dallys for 5 yrs now and Chris, Dave and family are perfect hosts. They provide excellent value for money and the meals are to die for. The chalets are a good size with en-suite and a wardrobe with tea and coffee making facilities. There is also a communal tea room with an honesty box for soft drinks, cakes and biscuits and a fridge to cool your beers/wine. There is also a covered heated swimming pool, two hot tubs, a steam room and a sauna. Saturday night is usually a themed party night in the pine clad carpeted barn which is adjacent to the largest hot tub you have ever seen. We have been a dozen times now and the quality has remained at a constant high and each time we always book ahead for the next time. We wouldn't hesitate to recommend Dilly..."

"As the title says, just as good as ever. Nice place to meet up with likeminded friends. Food still very good, facilities excellent and we had great weather too. Great base for touring a wonderful county."

**Relaxing first time**

"Had a great time, lovely company, entertainment was included which made a nice personal touch. I have to mention the food, as it was so nice, you will not go home hungry that's for sure. Facilities all in a good state of repair and working, pool, jacuzzi, steam room and sauna all used, although as the weather was so nice (unusual for this year, but it was for our break), we tended to sunbathe, rest on the sun loungers and read books and partake in the games, skittles, darts etc. and generally make new friends. Another nice touch is your first names get put on a slate outside of your rooms, which makes introductions easier Remember to bring your own booze, as there is no bar"
