YOUR COMMENTS ON THE CASE

I am against the appeal proposals, I feel that Bridport does not need any more housing built for elderly people, there are many retirement flats on the market already. What is urgently needed is homes for young people, youngsters are leaving the town because they cannot afford to live here. We need more social housing and affordable rents. As an older person myself if I should decide to move home now I would not want to move to a gated retirement community, I would prefer to move to still be in the heart of the Bridport community and I'm pretty sure a lot of my contemporaries would feel the same.
