YOUR COMMENTS ON THE CASE

I wish to object to the proposed development by Churchill. Bridport needs affordable housing - not more retirement housing. I do not agree with the argument that when people move into Churchill properties, they free up their houses for those that need them because I think that the houses that they are moving from are not, by and large, affordable to those not yet on the housing ladder. Ammonite GP services are already expressing concern about their ability to provide healthcare to the residents of the 760 Vearse Farm development, still under construction & local pharmacies are struggling with the Jhoots closure (as raised in the House of Commons by Ed Morello MP). This development would not address housing & infrastructure issues in Bridport - I believe it would make it worse.
