Dear Helen

Thank you for your Regulation 14 consultation on the pre-submission version of the Bradford Abbas and Clifton Maybank Neighbourhood Plan.

I can confirm that there are no specific matters associated with the Plan upon which we would wish to comment in detail.

We applaud generally the suite of policies proposed which should assist in the preservation and enhancement of the area's distinctive historic character, and the locally informed heritage evidence upon which they are based.

We congratulate your community on its progress to date and wish it well in the making of its Plan.

Kind regards

Dear Consultee,

Bradford Abbas and Clifton Maybank Neighbourhood Plan Consultation 30th September – 1st December 2025

Bradford Abbas Parish Council is consulting on the pre-submission draft of the Bradford Abbas and Clifton Maybank Neighbourhood Plan. I am writing to you on behalf of the Parish Council because we have identified that you may have a potential interest in the Plan as a statutory consultee. This is the opportunity for statutory consultees and interested parties, as well as the public, to make their views known so that changes can be made, if appropriate, prior to the Plan's submission for its examination.

A copy of the draft Neighbourhood Plan, and other supporting documents, are available on the Parish Council website at <https://bradford-abbas.uk/article/draft-neighbourhood-plan>. The draft Neighbourhood Plan, together with the SEA screening report, are also attached to this email for your convenience.

Any comments you wish to make on the Draft Plan should be returned no later than 1st December 2025. We would encourage you to use the online Response Form at <https://www.surveymonkey.com/r/BACMNP-Reg14>, as this will help make analysing the responses easier, but if you prefer to email you can do so by responding to this email (bacmnplan@gmail.com), or by post to the address below.

Finally, I would be grateful if you could acknowledge receipt of this email so that we know it has arrived safely.

Warm regards,
Helen Ferdinand BA(Hons), DipTP
