Dear Mr Mead

Re: Bridport Area Neighbourhood Development Plan Review – response to the request for clarification in relation to the issue of human rights

Thank you for your letter.

Bridport Town Council confirms that it agrees with your conclusion that, on the information available, it is reasonable to conclude that the making of the Bridport Area Neighbourhood Plan Review should not breach human rights within the meaning of the Human Rights Act 1998.

The Council notes that the Plan Review has been subject to extensive consultation and that no representations have identified any human rights concerns. The Council is therefore satisfied that the Plan Review is compatible with human rights.

We will ensure that this letter and your original request for clarification are published on the Bridport Town Council, Symondsburry Parish Council and Dorset Council websites for transparency.

Yours faithfully,

Caroline Pearce
Project Manager

On behalf of Bridport Area Neighbourhood Plan review.
