

Gundrys Farm

a family friendly campsite

GUNDRYS FARM

NEARLY READY FOR 2017

Gosh, where has the time gone, our new toilet and shower blocks are now well underway and should be bright and shiny ready to welcome our seasonal and touring campers in March.

We have been receiving a high demand for Seasonal pitches for the coming year and at only £2000 with nothing further to pay, its got to be really good value, especially as it includes winter storage and your awning stays up!

Look forward to welcoming old and new customers soon.
