GUNDRYS FARM

EXCITING NEWS FOR SEASONAL CAMPERS

Great news for our seasonal campers next year (2017) we have chosen the design and layout for our new toilet/shower block and are very excited. It will be installed in readiness for next season, adjacent to our sunset field. Separate ladies and gents showers and toilets and washing areas, so you will not have any delay when wanting a shower.

We still have a few seasonal pitches left for next year and are pleased to be receiving a lot of enquiries, as a result we hope to get everything sorted, caravans delivered and in situ within the next few months.

We are upgrading the wifi so that reception is improved in all fields.

Nearly at the end of this year, which makes us a little sad, but we are delighted to have met and made friends with so many nice people, seasonals and tourers throughout the season.

Very much look forward to seeing you all again next year.

MARCH 1, 2017
