

Independent auditor's report to the members of Dorset Council

Audit completion

Opinion on the financial statements

In our auditor's report, issued on 27 February 2026, for Dorset Council (the 'Authority') for the year ended 31 March 2025, we reported a disclaimer of opinion on the Authority's financial statements.

We explained that we could not formally conclude the audit and issue the audit certificate for the Authority for the year ended 31 March 2025, in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice, until we had received confirmation from the National Audit Office (NAO) that the audit of the Whole of Government Accounts (WGA) is complete for the year ended 31 March 2025. The NAO has now concluded their work in respect of WGA for the year ended 31 March 2025 and confirmed that audit certificates held open in relation to this can be issued. We are therefore satisfied all audit work necessary has been completed.

Qualified opinion on the pension fund financial statements

In our auditor's report, issued on 27 February 2026 for Dorset Pension Fund (the 'Pension Fund') for the year ended 31 March 2025, we reported a qualified opinion on the Pension Fund's financial statements.

Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

In our auditor's report for the year ended 31 March 2025 issued on 27 February 2026 we reported that we have nothing to report in respect of whether the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025 except

- On 8 July 2024 we identified a significant weakness in the Authority's arrangements for financial sustainability in relation to the Authority's plan to address the Dedicated Schools Grant (DSG) deficit and made associated recommendations to the Authority
- On 24 February 2025 we identified two significant weakness in the Authority's arrangements for governance and improving economy, efficiency and effectiveness. This was in relation to the Authority's procurement arrangements and non-compliance with its contract procedure rules and scheme of delegation. We highlighted the Council's lack of management and member oversight relating to its Building Health and Safety Compliance arrangements and made associated recommendations to the Authority.

No matters have come to our attention since that date that would have resulted in any additional exception reporting on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

Report on other legal and regulatory requirements – audit certificate

We certify that we have completed the audit of Dorset Council for the year ended 31 March 2025 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.
