**Subject:** WP10 missing area green spaces

Hi

There is an important area of green space in my ward of Melcombe Regis that is missing from the draft plan. It is Greenhill Gardens. This land was bequeathed in perpetuity to the people of Weymouth. There is a concern that private development might creep in. I would be grateful if this could be highlighted to the inspector for consideration of a recommendation to add it.

Thanks  
Jon  
Cllr Orrell

Also an area by the harbour
