Dear [see circulation list below],

Bradford Abbas & Clifton Maybank Neighbourhood Plan

We are writing to inform you that the production of the above Neighbourhood Plan is well underway. The time has come to seek the views of the wider community on what they might like to see in the Plan. Do you have any specific needs or development plans that could be included? Is there any information that you would like to bring to our attention regarding your involvement in the two parishes of Bradford Abbas and Clifton Maybank that you think may be helpful?

We appreciate you giving up time out of your busy schedule and look forward to receiving your comments.

If you would find it helpful to talk further, do not hesitate to contact either:

Jenny Thomas, Chair (email: [REDACTED]) or Terry Hunt, Deputy Chair (email: [REDACTED]) of the Bradford Abbas & Clifton Maybank Neighbourhood Plan Working Group.

Kind regards,

Jenny Thomas & Terry Hunt
