TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)

ISSUE OF : ENFORCEMENT NOTICE

LAND AT : Gundry's Farm School Lane, Three Legged Cross, Wimborne, Dorset.

Dorset Council considers it expedient to serve an Enforcement Notice regarding the unauthorised change of use of part of the land known as Gundry's Farm.

The plan attached to the notice identifies the area of land which the notice relates to and, section 3 of the notice describes the breach which in this case consists of the unauthorised material change of use of the land and operational development integral to the unauthorised use.

If you require further information in respect of the notice, please do not hesitate to contact me.

Your co-operation is much appreciated. A list of parties on whom the Enforcement Notice has been served appears below.

Yours faithfully

**TOWN AND COUNTRY PLANNING
(ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2017**

REGULATION 37 NOTICE

ISSUED BY: DORSET COUNCIL

1. **THIS IS A FORMAL NOTICE** is issued by the Council under Regulation 37 of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017 in connection with the Council's Enforcement Notice dated 24/03/2021 in respect of the land at Gundrys Farm, School Lane, Three Legged Cross, Wimborne, Dorset, shown edged red on the attached plan, in connection with the alleged breaches of planning control:

Without planning permission:

- a. Contrary to section 171A(1)(a) of the Town and Country Planning Act 1990 the unauthorised material change in the use of the Land marked on the attached plan as "Planning Unit A" from a lawful mixed use of agriculture and a caravan site for exempt organisations in accordance with Part 5 of Schedule 2 to The Town and Country Planning (General Permitted Development) (England) Order 2015 and schedule 1 of the Caravan Sites and Control of Development Act 1960 to a mixed use of agriculture and an authorised caravan site consisting of:
- i. The stationing of caravans (with and without awnings), motorhomes, campervans, trailer-tents and tents for the purpose of human habitation; and
 - ii. The storage of caravans.
 - iii. The keeping of donkeys,

and;

- b. Contrary to section 171A(1)(a) of the Town and Country Planning Act 1990, the carrying out of unauthorised operational development on the Land marked on the attached plan as "Planning Unit A", which facilitated the unauthorised material change in use of the land alleged in a. The unauthorised operational development consisted of the installation of the following, in the approximate positions marked X on the attached plan:
- i. Hard standings and tracks;
 - ii. Toilet and shower blocks;
 - iii. Sceptic Tanks
 - iv. Electrical hook-up equipment;
 - v. Fire hydrants;
 - vi. A water/waste water facility
 - vii. Location signs.
 - viii. Animal shelter and concrete base

2. It is the Council's opinion that the development to which the Enforcement Notice relates is "Schedule 2 development" within the meaning of the Town & Country Planning (Environmental Impact Assessment) Regulations 2017 being Tourism and leisure development covering more than 1 hectare and potentially accommodating over 200 units comprising of caravans, motorhomes and tents which is considered likely to have significant effects on the environment for the following reasons:
- the development's size and likely capacity to be able to accommodate over 200 plus caravans, tents and/or camper vans on former agricultural land, in accumulation with what is deemed to be lawfully established on the site (a total of 54 units comprising of caravans, tents and/or camper vans, making no distinction between them, on land measuring approximately 1.9 hectares);
 - together with the necessary infrastructure to facilitate such a large camping and caravanning use;
 - together with the amount of significant traffic movements associated with such a use, noise and general nuisances caused by the coming and going of users of such a facility, and;
 - its proximity to Holt and West Moors Heath SSSI which is also an Special Area of Conservation (SAC), Special Protection Area (SPA) and Ramsar site (wetlands and waterfowl) protected by international legislation, which will add visitor pressures to these areas, and risk of predation of wildlife at this site by cats, disturbance to ground nesting birds by dogs

3. Accordingly, subject to any direction by the Secretary of state to the contrary, any appeal under Section 174 of the Town & Country Planning Act against the Enforcement Notice must be accompanied by two (2) copies of an Environmental Statement. Please read the notes below for information about appeals, directions and Environmental Statements.

**TOWN AND COUNTRY PLANNING ACT 1990 (TCPA 1990)
(as amended by the Planning and Compensation Act 1991)**

ENFORCEMENT NOTICE

ISSUED BY: Dorset Council (the Council)

1. **THIS NOTICE** is issued by the Council because it appears to them that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the Land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES**

The Land at Gundry's Farm, School Lane, Three Legged Cross, Wimborne, Dorset, shown edged red on the attached plan (the Land).

3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission, the unauthorised material change in the use of the Land:

A. Contrary to section 171A(1)(a) of the Town and Country Planning Act 1990 the unauthorised material change in use of the Land edged red on the attached plan marked as "Planning Unit A" from a lawful mixed use of agriculture and a caravan site for exempt organisations in accordance with Part 5 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 and schedule 1 of the Caravans Sites and Control of Development Act 1960 to a mixed use of agriculture and an unauthorised caravan site consisting of:

- i. The stationing of caravans (with and without awnings), motorhomes, campervans, trailer-tents and tents for the purpose of human habitation; and
- ii. The storage of caravans.
- iii. The keeping of donkeys,

and;

B. Contrary to section 171A(1)(a) of the Town and Country Planning Act 1990, the carrying out of unauthorised operational development on the Land edged red on the attached plan marked as "Planning Unit A", which facilitates the unauthorised material change in use of the land alleged in section A. above. The unauthorised integral operational development consisting of the following:

- i. Hard standings and tracks;
- ii. Toilet and shower blocks;

- iii. Sceptic Tanks
- iv. Electrical hook-up equipment;
- v. Fire hydrants;
- vi. A water/waste water facility
- vii. Location signs.
- viii. Animal shelter and concrete base

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred in the last ten years and as such is not immune to enforcement by virtue of section 171B(3) of the Act.

The presumption in favour of sustainable development does not apply for the unauthorised development in this location unless an appropriate assessment has concluded that the project will not adversely affect the integrity of the nearby habitat's sites. No such assessment has concluded this is the case.

The location, scale and distribution of the unauthorised development fails to conform to the settlement hierarchy. The unauthorised development is considered as a whole to erode the site's openness and as such undermines the Green Belt's essential characteristics increases visitor pressure on the Dorset Heaths and in the absence of any possible or appropriate mitigation the unauthorised development is not acceptable.

The site also lies within a 400m to 5km distance of a number of other protected heathland sites, including other parts of Holt and West Moors Heath SSSI to the north of the site and other protected habitats in the area. The unauthorised development is considered of a type that would have the same impacts as a C3 Residential use, which would not be appropriate in this location, and, therefore, the unauthorised development is not acceptable in this location.

The potential noise, impact upon residential amenity, general disturbance, traffic generation, unlawful works and unauthorised use are considered contrary to policy. The unauthorised development has a harmful impact on the amenity of the area.

Whilst this business site makes a positive contribution to the local rural economy through tourism (many local attractions), such a use of land must not cause harm to the openness of the Green Belt nor have adverse impacts on sensitive habitats. The unauthorised use increases visitor pressure on the Dorset Heaths and in the absence of any possible or appropriate mitigation the development would be contrary to adopted policies.

The unauthorised development is therefore considered contrary to: Policies HE2, HE3, KS1, KS2, KS3, ME1, ME2, PC4 and PC6 of the Core Strategy; Saved Policy TODEV2 of the East Dorset Local Plan 2002; policies 84, 137, 148, 149, 174 to and including 182 and 185 of the National Planning Policy Framework and; Dorset Heathlands Planning Framework 2020-2025.

Whilst the imposition of conditions may mitigate some of the harmful impacts identified

it is considered that planning permission would not be granted for the unauthorised development as conditions could not overcome all the adverse impacts identified above.

5. **WHAT YOU ARE REQUIRED TO DO**

Permanently:

A. Cease* the use of the Land for the stationing of caravans (with and without awnings), motorhomes, campervans, trailer-tents and tents for the purposes of human habitation

*This notice does not affect any existing use rights or uses that are not development of land 'or any applicable permitted development under The Town and Country Planning (General Permitted Development) (England) Order 2015.

B. Cease the use of the Land for the storage of caravans

C. Demolish and remove from the Land, all:

- i. toilet and shower blocks including associated decking and fencing;
- ii. electrical hook-up equipment;
- iii. fire hydrants;
- iv. water / waste water facilities
- v. location signs

6. **TIME FOR COMPLIANCE**

3 Months after this Notice takes effect.

7. **WHEN THIS NOTICE TAKES EFFECT**

This notice takes effect on the 4th January 2023, unless an appeal is made against it beforehand.

DATED : 4th October 2022

Mike Garrity
Head of Planning

- (4) The preceding subsections do not prevent –
 - (a) the service of a breach of condition notice in respect of any breach of planning control if an enforcement notice in respect of the breach is in effect; or

- (4) Those purposes are –

- (10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice served under section 172 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.
- (11) Where –
 - (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or any activity to cease, but does not do so; and
 - (b) all the requirements of the notice have been complied with, then, so far as the notice did not so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.
- (12) Where –
 - (a) an enforcement notice requires the construction of a replacement building; and
