Dear LPA

Under Regulation 42.(a) of The Town and Country Planning (Environmental Impact Assessment) Regulations 2017 (the EIA Regulations 2017), the enclosed environmental statement will be taken into consideration in determining the ground (a) appeal, and the Council may make representations (we will confirm this in due course).

The Council is also reminded of the requirements regarding publicity under regulation 44.(1) & (2) of the EIA Regulations 2017.

The SoS also notes the requirement under Regulation 44(3) to not determine the Ground (a) appeal until the expiry of 30 days from the date stated in the published notice as the last date on which the ES or further information was available for inspection.

Due to file size, these will be copied in 12 separate emails.

Kind regards

Planning
