I am very supportive of the inclusion of land for housing, particularly the allocation of 'affordable' family housing. Although I think we need a mixture of housing including starter homes for single people.

I would like to see more land allocated for industrial use. However, I believe the small parcel of land at the end of Weymouth Bay Avenue is inappropriate for such use. The proximity to the nature reserve is a cause of concern.

I think it would be more appropriate to allocate land for light industrial use in the area of Mercery Road and expand the allocation around Jubilee Sidings.
