4. Please use the box below to give reasons for your support or objection, or to make your observation.

- Weymouth Bay Ave is totally unsuitable for heavy traffic such as trade vans and lorries. Already it is difficult to navigate, with increasing on-street parking. It was never designed as a through-route.
- The size of the houses attracts families with children, who play on the road or pavements. They would be endangered by increasing traffic.
- Industrial units of any size would significantly change the character of the area, especially outside standard working hours. The neighbouring nature reserve would be very vulnerable.

Continue on a separate sheet if necessary

5. Please give details of any suggested modifications in the box below.

To complete the plan, Weymouth Bay Avenue would need widening, which is surely not practical.
