Comments:

I am objecting to the proposal for the area at the bottom of Weymouth bay avenue near where I live.
The traffic congestion is dreadful at the end of Moorside Avenue, cars park all round the junction there which is dangerous for visibility. This is without this proposal being carried out.
It will be horrendous.
This is an area where wildlife thrives, to carry out this proposal is nothing short of vandalism.
So inappropriate for the area of wildlife all around.
This site is not appropriate either from
A transport point of view.

All in all a very bad idea.

I have already submitted some comments but would like to add some about the flood risk in our area and submit a photo of what it was like here a month ago.

I am sending another picture of today's flood levels in our garden, it has never been this bad in all the years I have been here and you are proposing building nearby.
