Dear Anne

Many thanks for sharing the responses from NDDC and the Town Council to the issues raised by the Examiner.

These are very interesting, and helpful in their detailing of the reasoning behind respective responses, be they shared or individual.

The focus of our interest remains the proposed policy to allocate land for development associated with the Bull Tavern and in this respect we are appreciative of the referencing of our previous advice on this matter. We do not feel that the responses now made generate new issues upon which further comment from us is required.

On that basis we are happy to await the Examiner's Report on the Plan and to perhaps liaise again with your authority at that time depending on its content and recommendations.

Kind regards

David
