If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

North Dorset District Council has adopted the Dorset Biodiversity Protocol (also referred to as Biodiversity Appraisal), which is administered by the Natural Environment Team at Dorset County Council. Dorset Wildlife Trust is wholly supportive of the Dorset Biodiversity Protocol. This protocol ensures protected species are adequately considered through the planning process. We would recommend therefore that this protocol is referred to in policy 4.
