2. 7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound?
It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

We would recommend clarifying that for a planning application to be looked upon favourably, it must also safeguard existing environmental assets. Suggested wording is below; Developments that retain and protect existing environmental assets, and offer gains in biodiversity, whether through the restoration of habitats or the creation of linkages between sites, will be looked upon favourably in the decision making process.

3. 8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination

4. 9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary.
Please note that the Inspector determines who is heard at the examination.

No Response

5. 10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment.
Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.
