POST ROOM

Mr & Mrs R I ROLF

Planning Policy Manager
Philip James.

Dear Sir

On arrival of your letter I was not at all pleased of the plans to upset our retirement years as we moved here from the busy London and have enjoyed our time here so far. So to spoil another piece of the country side with more houses & allotments is not an traffic would increase and it would be like living on a main road, day & night, so we need to stop any further plans so we can continue to live out our retirement years in peace. The plan gives us nothing to look forward to.

Yours faithfully,
