Theme: 09 Theme 9 Sustainable Economic Growth

Issue: 02: How important is it to protect employment sites, given competing uses for the land?

A We should consider the loss of employment land where the site is a sustainable location for new housing.

B We should consider the loss of employment land where there is potential to deliver significant levels of affordable housing.

C We should consider the loss of employment land where there is potential to deliver high quality mixed development.

Issue: 05: What range of uses should be promoted on established and allocated employment sites?

A New employment development on established and allocated sites should be restricted to traditional employment uses falling within B1, B2, B8 categories.

B New development on established and allocated sites should accommodate non B class employment uses.
