--------------------	--------------------------	-------------------------------	--------------------------

In the event of any delays on site, which prevent our works taking place, a standing time charge of £60.22 per hour will be incurred.

For any erroneous visits a charge of £60.22 per hour will be incurred.

Any damaged/stolen bags will be charged at £25 per bag.

Price excludes VAT; this will be added at the current rate at time of order.

Date of Switch Off		Time		
Date of Switch On		Time		

By completing this form, you are agreeing to Yunex Traffic TEC1 Terms and Conditions.

Please be aware that you shall be liable for any damage howsoever arising, which may be caused to the traffic signals at this site during the period between commencement of bagging and restoration of power to the site, i.e. the period when the signals are bagged. Any remedial works that are required to be carried out at the signals as a result will be chargeable.

Please note this application does not confirm attendance by Yunex Traffic. Works approved when this form is returned with the below information populated.
