

Sorry

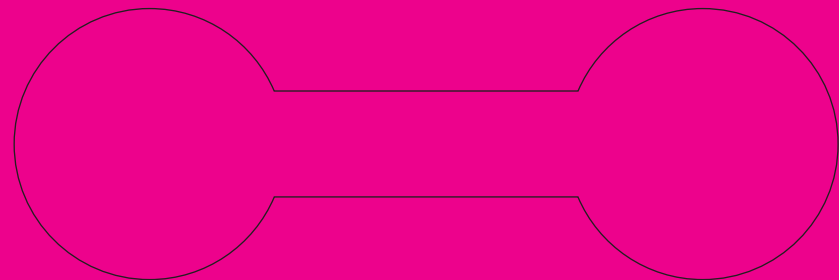

We could not collect some or all of your rubbish today.

- Your rubbish bin must be presented with the **lid closed**
- We **do not** collect unauthorised rubbish sacks placed outside your bin

dorsetforyou.com/recycle/pink-tag

Why is there a pink tag on my bin?

- Your rubbish bin was either overfilled with the lid open, or
- There was extra unauthorised rubbish next to your bin which we cannot collect

What do I need to do?

- Make sure your rubbish fits inside your bin with the lid closed on your next collection
- Reduce your rubbish by recycling everything you can and using the food waste collection
- Squeeze the air out of your rubbish sacks to fit more in your bin
- You can take extra rubbish to a household recycling centre, free of charge
