Is the asset already for sale or long term assignment?	Likelihood of closure in the near future is anticipated to be low
Reasons for this asset being of community value (please explain why you see this as an asset of community value)	For many residents, this is not only the only nearby place of worship but one of few nearby community facilities. While there is no anticipated risk of closure in the immediate future, many churches have closed in recent years which would also result in the loss of community meeting facilities, are few and far between in Longham. Some two hundred years old, the church is also one of the oldest buildings in Ferndown and has a distinctive character.

Please include the following with your nomination:

1. Location map of asset
2. Evidence of your group's approval for nominating this asset
3. Proof of your group's identity
 - a. Memorandum & Articles of Association
 - b. Annual Statement of Accounts
 - c. Minutes of Meetings
 - d. Other – please specify

*If you are an unincorporated body, please supply the signatures and names and addresses of at least 21 people who are eligible to vote in the local authority area or neighbouring area.
