Part B – Representation

The North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representation to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan complies with the **legal requirements** and is **'sound'**.

If you are seeking to make a representation on the **way** in which documents have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

If you need help completing the response form please see a member of the Planning Policy Team at one of the consultation exhibitions or call 01258484201.

- Yes No

4. Do you consider the Local Plan to be 'sound'?

- Yes No

5. If you consider the Local Plan to be unsound please specify your reason(s) by ticking the box(es) that apply below

- It is not effective
- It is not consistent with national policy

6. Please give specific details of why you consider the Local Plan has not been prepared in accordance with the Duty to Co-operate, legal or procedural requirement or why you consider the plan to be unsound. Alternatively, if you wish to support any aspects of the plan please also use this box to set out your comments.

1. Due to increasing numbers of children generated by proposed developments and current birth rate trends, a new 2 form entry primary school should be added to the provision at Blandford as an alternative to extending the Milldown School. Discussions are on-going with North Dorset District Council about a location.

Continue on a separate sheet if neces

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Proposed Changes:

(i) Amend text at para 8.45 to read "Feasibility work has shown that this can be achieved through careful use of the existing capacity within the school pyramid and by extending the existing **Archbishop Wake Primary School and either extending the Milldown Primary School or providing one new 2FE primary school** in the town."

(ii) Amend Policy 16 to read:

"u the extension of Archbishop Wake and **either extension of the Milldown or provision of a new 2FE primary school;**"

(iii) Amend the Infrastructure Delivery Plan para 3.35 by adding a final sentence to read: "**In Blandford the anticipated growth in pupil numbers may also require a new 2FE primary school as an alternative to an extension of the Milldown School.**"

Also amend Appendix B of the IDP to reflect this change.

Continue on a separate sheet if necessary
