Under Regulation 16 of the Community Infrastructure Levy Regulations 2010 (as amended) Purbeck District Council is inviting representations on the Community Infrastructure Levy Draft Charging Schedule from **22nd October 2018 to 3rd December 2018**. Following this consultation, Purbeck District Council intends to submit, under Section 212 of Planning Act 2008 the draft charging schedule for Examination. Only representations received within this statutory period have a right to be considered by the Inspector at the subsequent Purbeck Local Plan examination. The Council has had a CIL charging schedule and priorities for spending in place since June 2014. A new schedule is being produced alongside a new local plan – The Purbeck Local Plan. The Draft Charging Schedule and Priorities for Spending (the Schedule) sets out the amount that different types of development would be charged across the District and an indication of how the Council will spend this money.

Electronic representations must be made using the form available at: <https://purbeck-consult.objective.co.uk/portal/> . Those people who need assistance should contact the planning policy team by email at localplan@purbeck-dc.gov.uk . Written responses must be addressed to: CIL, Planning Policy, Westport House, Worgret Road, Wareham, BH20 4PP. All responses received during the consultation period will be submitted to an Examiner and considered as part of a public examination of the CIL Draft Charging Schedule and Priorities for Spending by an independent planning examiner.

The submissions and the name of the respondent will be published on the Council's website. Other personal information will be kept private. By submitting representations, respondents confirm that they agree to this. Information on the Council's privacy policy is available to view on its website at www.dorsetforyou.gov.uk/your-council/about-your-council/data-protection/privacy-statements-for-purbeck-district-council.aspx .
