## Part B – Representation

The North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representations to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan complies with the **legal requirements** and is **'sound'**.

If you are seeking to make a representation on the **way** in which documents have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

If you need help completing the response form please see a member of the Planning Policy Team at one of the consultation exhibitions or call 01258 484201.

The district's need to provide a range of housing, including affordable housing is not questioned and is supported.

The recognition within the policy of the need for flexibility over affordable housing levels for individual sites is welcomed.

However, the threshold of affordable housing being triggered by a development that creates three or more net additional houses is set too low. It will have the effect of stalling appropriate development and redevelopment of smaller sites, particularly small sites which are seeking to find positive new uses to bring vacant and underused sites back into effective use. Such a low threshold is likely to lead to greater use of viability assessments which again add further delay and cost to a development project. The threshold should therefore be reviewed to a higher figure.

The threshold as currently proposed is not sound in terms of being effective and in accordance with national policy.

Furthermore, concern is expressed with the proposal for any obligation to require a subsequent review with a view to increasing the scale of affordable development prior to or during the construction of the site. This would lead to considerable uncertainty and delay in the disposal and development of sites which would defeat the Local Plan objectives. This part of the policy is not sound in terms of being effective and in accordance with national policy and should be deleted.

*Continue on a separate sheet if necessary*

**7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound?** It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Review the threshold for requiring the provision for affordable housing to a higher number of net additional dwellings.

Delete the fifth paragraph starting *If it can be demonstrated....*

*Continue on a separate sheet if necessary*

**8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?**

No, I do not wish to participate in the oral examination

Yes, I would like to participate in the oral examination

**9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary.** Please note that the Inspector determines who is heard at the examination.

We consider it necessary to take part at the oral part of the examination because the representations raise complex and important policy issues. We consider that these issues require to be debated at the examination in order that the Inspector can be properly informed in reaching a conclusion on the soundness of the Core Strategy.

**10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment.** Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.

**11. Do you wish to be notified of any of the following?** Please tick all that apply. We will contact you using the details you have given above.

- That the Local Plan Part 1 has been submitted for independent examination
- The publication of the recommendations of any person appointed to carry out an independent examination of the Local Plan Part 1
- The adoption of the Local Plan Part 1.
