<p><b>Reasons for this asset being of community value</b> <i>(please explain why you see this as an asset of community value)</i></p>	<p>Stapehill Village Hall is well used for meetings and activities of various kinds. It has a particular value to the community as it is the only facility of its kind in this outlying area of the town and people may otherwise have to travel much further for various events. Its loss would also harm a sense of local community as this is one of very few places in Stapehill that people can meet together. This asset therefore fulfils the community services criteria under the Localism Act.</p>
