

THE PENULTIMATE RESULTS

⇒ Your Neighbourhood Plan has now undergone its examination. It passed with major amendments. A copy of the report can be viewed on our website.

⇒ B+ considers there are a number of inaccuracies in the report and that the examination may have gone differently if the examiner knew at the time that there is no 5 year housing land supply in North Dorset.

⇒ The group have therefore written to the Secretary of State to use its discretionary powers to intervene in this matter.

⇒ We will keep you updated, but for now the plan will stay on hold until we can resolve this matter.

Once again **thank you** to each and every one of you who has been involved in the preparation of your **Neighbourhood Plan**. Whether you answered consultations, attended public events, made observations, administered, delivered or just generally took an interest, we appreciate your involvement.

You can still help to secure the **infrastructure** your area needs by keeping an eye out for the North Dorset Issues and Options consultation between November 2017 and January 2018 to have your say again and/or support the Neighbourhood Plan strategy for the area.
