The North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representations to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan complies with the **legal requirements** and is **'sound'**.

If you are seeking to make a representation on the **way** in which documents have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

If you need help completing the response form please see a member of the Planning Policy Team at one of the consultation exhibitions or call 01258 484201.

Policy 28: Existing Dwellings in the Countryside and the preceding text advises that: (d) there is no extension of the existing residential curtilage. Such an approach is entirely inconsistent with advice in Part 11 of the NPPF. Adjoining Local Authorities are permissive of extension of residential curtilages in the countryside subject to certain safeguarding criteria. WDDC has a specific policy permitting this. SSDC takes a permissive approach subject to safeguarding landscape character. (h) This sub-section contradicts the part later in the policy on ancillary domestic buildings within residential curtilages in the countryside - in other words a detached annexe as permitted under Parts l - q is excluded under part (h). (i) See comments made with respect to (d) above. (j) This is unclear and unnecessary. (k) There is an assumption that all extensions or alterations must be subservient in scale to the existing dwelling. In certain instances this is not appropriate. This sub-section of the policy is too prescriptive and is unnecessary. (q) This sub-section is unnecessary and too prescriptive.

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and **sound**? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Delete sub-section (d), policy 28.

Reword sub-sections (h) and (l) - (q) to be consistent.

Delete sub-section (i).

Delete sub-section (j).

Reword sub-section (k).

8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination

Yes, I would like to participate in the oral examination

9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.

10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment. Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.

11. Do you wish to be notified of any of the following? Please tick all that apply. We will contact you using the details you have given above.

- That the Local Plan Part 1 has been submitted for independent examination
