Subject: Hazelbury Bryan Neighbourhood Plan 2018 to 2031 - Highways England response

Dear Planning Policy team

Thank you for providing Highways England with the opportunity to comment on the submission version of the Hazelbury Bryan Neighbourhood Plan. As you are aware, we are responsible for operating, maintaining and improving the strategic road network (SRN) which in this case consists of the A303 and A35 which pass some distance to the north and south respectively of the plan area.

We are satisfied that the proposed plan policies are unlikely to result in development which will impact on the SRN and we therefore have no comments to make. This does not however prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policy at the time.

Regards
Gaynor
