## Part B – Representation

The North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representations to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan complies with the **legal requirements** and is **'sound'**.

If you are seeking to make a representation on the **way** in which documents have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

If you need help completing the response form please see a member of the Planning Policy Team at one of the consultation exhibitions or call 01258 484201.

### 2. Please state the part of that document you are commenting on:

Paragraph number: D2	Policy:	Policies map:
----------------------	---------	---------------

### 3. Do you consider the Local Plan to be legally compliant and prepared in accordance with the Duty to Cooperate, legal and procedural requirements?

- Yes  No

### 4. Do you consider the Local Plan to be 'sound'?

- Yes  No

### 5. If you consider the Local Plan to be unsound please specify your reason(s) by ticking the box(es) that apply below

- It has not been positively prepared
- It is not justified
- It is not effective
- It is not consistent with national policy

6. Please give specific details of why you consider the Local Plan has not been prepared in accordance with the Duty to Co-operate, legal or procedural requirement or why you consider the plan to be **unsound**. Alternatively, if you wish to support any aspects of the plan please also use this box to set out your comments.

The term "Regeneration" is used frequently throughout the Plan and yet is not defined in the Glossary at Appendix D.

Given the key role of "Regeneration" in the achievement of the Plan's stated objectives this is a considerable omission.

*Continue on a separate sheet if necessary*

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and **sound**? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

An appropriate definition of Regeneration is included in the Government publication

"Regeneration to enable growth: A toolkit supporting community-led regeneration" (DCLG January 2012):

*"At its core, regeneration is about concerted action to address the challenges and problems faced by the community of a particular place. It's about widening opportunities, growing the local economy, and improving people's lives. But beyond that high-level definition, it is not for Government to define what regeneration is, what it should look like, or what measures should be used to drive it. That will depend on the place – the local characteristics, challenges and opportunities."*

8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination **on this issue**

Yes, I would like to participate in the oral examination

**9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary.** Please note that the Inspector determines who is heard at the examination.

Clemdell Ltd is a local company that has various properties in Blandford Forum town centre – including national and local retailers and residential properties.  
It has a keen and active interest in seeing that national policies for supporting sustainable town centres are implemented in Blandford Forum.  
By way, inter alia, of positive investment Clemdell wishes to pro-actively participate in ensuring that town centre regeneration takes place within, and not on the edge of, the town centre.  
That will support the viability of its commercial tenants  
Clemdell's participation in the Hearing could, therefore, assist the Inspector in determining the outcome of the Examination and in drawing together the range of issues affecting the town centre, spread throughout the Plan.

**10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment.** Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.

Not applicable

**11. Do you wish to be notified of any of the following?** Please tick all that apply. We will contact you using the details you have given above.

- That the Local Plan Part 1 has been submitted for independent examination
- The publication of the recommendations of any person appointed to carry out an independent examination of the Local Plan Part 1
- The adoption of the Local Plan Part 1.
