

BOURTON - DORSET NEIGHBOURHOOD PLAN 2016-2031

Information Statement

This information statement is about the referendum to be held on the Bourton - Dorset Neighbourhood Plan 2016-2031.

About town and country planning

In England, planning applications are determined by local planning authorities such as North Dorset District Council. Planning decisions are made in accordance with the adopted development plan, unless material considerations indicate otherwise. A development plan sets out the planning policies for the development and use of land.

The [adopted Local Plan for North Dorset](#) is therefore the starting point for considering planning applications at the current time. The [national planning policy framework](#) must be taken into account in the preparation of local and neighbourhood plans, and is a material consideration in planning decisions.

The Council's [Local Development Scheme](#) contains information on development plan documents that are being prepared.

About neighbourhood planning and the Bourton - Dorset Neighbourhood Plan 2016-2031

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work. In parished areas such as Bourton, the Parish Council is responsible for preparing a neighbourhood plan. The plan can show how the community wants land to be used and developed in its area. If a plan is made following a successful referendum, it becomes part of the development plan for that area.

Bourton Parish Council started preparing its neighbourhood plan in 2012. After much research, and having listened to the various issues and suggestions made through various consultation events, a draft plan was produced for consultation in May 2016. The plan was then revised in response to the consultation and submitted to North Dorset District Council in November 2016. Robert Yuille was appointed as an Independent Examiner for the Bourton - Dorset Neighbourhood Plan 2016-2031, and in September 2017 he produced his [report](#) confirming that he was satisfied that the plan meets the basic conditions and recommended that it should, subject to some changes, proceed to referendum.

North Dorset District Council considered the report on 30 October 2017 and issued its [decision](#), which was in agreement with the examiner's findings, that the plan as modified should proceed to referendum.
