

## **SCHEDULE**

## POLICIES CONTAINED IN THE NORTH DORSET DISTRICT-WIDE

## LOCAL PLAN (FIRST REVISION) ADOPTED 2003

Policy No.	Name
1.1	Sustainable development strategy
1.2	Towns for major growth
1.3	Towns for moderate growth
1.4	Villages with settlement boundaries
1.5	Small villages and hamlets
1.6	Development in countryside
1.7	Development within settlement boundaries
1.8	Standard assessment criteria
1.9	Important open & wooded areas
1	Re-use buildings in countryside
10	
1	Farmyards in settlement boundaries
11	
1	River valleys
12	
1	Foul drainage
15	
1	Groundwater source protection
16	
1	Sewage treatment works protection
17	Marka na svetin na sanka s
1	Waste recycling centres
18	Lighting standards
19	Lighting standards
1	Contaminated land
20	
1	Alterations to listed buildings
21	7 itterations to listed buildings
1	Demolition of listed buildings
22	
1	Setting of listed buildings
23	
1	Character of conservation areas
24	

1	Demolition in conservation areas
25	
1 26	Advertisements in conservation areas
1 27	Shopfronts in conservation areas
1 28	Archaeological remains of national importance
1 29	Archaeological remains of local importance
1 30	Archaeological evaluation
1 31	Historic Parks and gardens
1 32	AONB
1 33	Landscape character areas
1 34	International wildlife sites
1 35	National wildlife sites
1 36	SNCIs
1 37	Other landscape features of nature conservation interest
1 38	Protected species and habitats
1 39	TPOs
1 40	Landscaping of new development
1 41	Amenity tree planting
2.1	Housing provision1994-2011
2.2	Making best use of housing land
2.3	Distribution of development
2.4	Settlement allocations
2.5	Form of major housing development
2.6	Infill/ windfall within settlement boundaries
2.7	Renewal of unimplemented consents
2.8	Monitoring the availability of land for housing
2.9	Phasing the release of land for development
2	Density of new development
10	
2	Extensions to dwellings
11	
2 12	Size of site on which affordable housing will be sought

2	Affordable housing within defined settlement boundaries
2	Pural expensions sites
14	Rural exceptions sites
2	Replacement dwellings in country
15	J. J
2	Agricultural and forestry workers dwellings
16	
2	Removal of agricultural occupancy conditions
17	
2	Temporary mobile homes to meet special needs
18	
2	Conversion of property to multiple units
19	
2	Residential care homes
20	Cympy eitee
2	Gypsy sites
3.1	Overall employment strategy
3.1	Development on defined employment sites
3.3	Retention of employment areas and uses
3.4	Employment development within defined settlements
3.5	Employment development within the countryside
3.6	Relocation of poorly sited village industries
3.7	Restrictions on employment development
3.8	Working from home
3.0	Livestock units
10	Livestock utilits
3	New livestock markets
11	
3	Renewable energy
12	
3	Advertisements
13	
3	Telecommunication development
14	
3	Promotion of shopping centres
15	
3	New retail outlets in town centres
16	Change of use in retail areas
3   17	Change of use in retail areas
3	Local centres at Marnhull and Stalbridge
18	Legal senties at Marmail and Stabilitys
3	Out of town centre retail development
19	
3	Design of shopfronts
20	-
3	The retention of village facilities
21
