

Mrs P Bridge

Dear Sir/Madam,

I wish to register, in the strongest possible terms, my objections to the building of 50 houses in a field between Bayfields and Bay Road, for the following reasons:-

- A. We desperately need to hold on to any remaining 'open space' in Billingham, which is so much appreciated. In just the nine years I have been a resident so much has been built on.
- B. Barnaby Moat is a small, residential road and is not suitable for further traffic, especially as this would be the only access to the field.

Yours sincerely
