

Site name / Ref	Size (ha)	If over 2ha Add further justification for size	Relationship to settlement			Importance				Main reason/s Description of why important	Local value Evidence of support "very important"	Other potential issues	
			Within (Yes)	Adjoins (Yes)	Other	Landscape	Heritage	Recreation	Wildlife			Live planning consents?	Date of landowner contact and response
Alec's Field, Pidney (LGS-AF)	1.9ha			Yes			✓	✓	✓	Grass/wild flower field that effectively forms a village green used for sport and other recreational events. Includes children's play area & well used footpath FP18. Also forms the setting of several historic buildings, and the trees along the northern and western boundaries are protected.	98%	None	Hazelbury Bryan Parish Council, agreed as LGS, April 2017
Churchyard, Droop (LGS-CY)	0.3ha		Yes				✓	✓	✓	Forms the setting of the church (Grade I Listed) and tranquil area for quiet contemplation. Also of local wildlife value, including areas of species-rich grassland and notable lichen flora on the tombstones.	87%	None	PCC/Diocese of Salisbury - agreement awaited
Hazel Wood, Kingston (LGS-HW)	5.7ha	Although just over 5ha, it is not unduly large for a woodland and requires sufficient space to allow for quiet informal recreational enjoyment connecting to nature			Yes - approx 150m in between Kingston, Partway and Pidney		✓	✓	✓	A mixed deciduous woodland owned and managed by the Woodland Trust as an open access area where the public are welcome. The wood is traversed by a public footpath from Kingston, but also has several informal paths. It was planted in 1999 to mark the Millennium, within the old field boundaries of mature hedges. The southern boundary is a narrow strip of ancient woodland traversed by the Selwaie brook. A pond was created at the same time as the parish's Millennium feature. Close to the stream in Hazel Wood is the "Holy Well", a registered Historic Monument excavated in 1999 by the East Dorset Antiquarian Society. It is a natural spring enclosed by a low wall and with a paved area alongside, so most likely of importance to local people for some time.	88%	None	Woodland Trust - formal agreement awaited
The Keep and Allotments, Pidney (LGS-KA)	1.0ha			Yes				✓	✓	Local allotments serving the parish, well used with waiting list, plus uncultivated area of wildflower rich grassland and protected trees, open to the public, and crossed by a well-used public footpath	87%	None	Hazelbury Bryan Parish Council, agreed as LGS, April 2017
Kingston Green (LGS-KG)	0.2ha		Yes					✓		Visually attractive green space and convenient space for local children to play within a housing area	65%	None	Sovereign Housing - agreement awaited
Emerson Nature Reserve, Wonston (LGS-NR)	0.6ha			Yes				✓	✓	Forms part of the hillside to the south of Wonston, managed privately as a woodland and forest garden area open to the community and visitors and containing interesting shrubs and a local black poplar	74%	None	Agreed as part of Call for Sites exercise, May 2017
The Green, Pidney (LGS-PG)	0.1ha		Yes					✓		Grass area, providing a convenient space for local children to play close to a housing area	64%	None	Sovereign Housing - agreement awaited
The Cemetery, Droop (LGS-TC)	0.2ha				Yes - approx 120m from Wonston, 250m from Droop	✓		✓	✓	Provides the only active burial area close to the community. Generally quiet and undisturbed. Panoramic views enjoyed to Bulbarrow, Dorsetshire Gap and surrounding countryside. Also species-rich limestone flora noted.	84%	None	Hazelbury Bryan Parish Council, agreed as LGS, April 2017
