During the last five years the North Wareham Action Group has worked very closely with the Neighbourhood Planning Group to ensure that the community north of Wareham, some 3500 residents, have been involved in the consultation and decision making regarding development in their area. We distribute newsletters to the community advising them of initiatives being considered and asking for their involvement.

The community is very supportive of the Neighbourhood Plan, particularly the element concerning the protection of green belt land. Allotment holders on the Northmoor Estate have been threatened with loss of this land for over forty years and the current proposals ensure that this land will be protected.
