Q8: 6. Please give specific details of why you consider the Local Plan has not been prepared in accordance with the Duty to Co-operate, legal or procedural requirement or why you consider the plan

to be unsound. Alternatively, if you wish to support any aspects of the plan please also use this box to set out your comments.

The Local Plan Part 1, refers to working with the DWP to ensure appropriate arrangements are made to deal with the waste produced by any new development. But there is no specific reference to the provision for waste in the remainder of the Plan. Furthermore, due to a difference in the time periods of the production process of the District Wide Local Plan Part 1, Gillingham SSA and the County Wide Waste Plan, potential sites may be lost and inadequate waste provision delivered over a considerable length of time as a result.

Q9: 7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Proper provision for Waste to be addressed in the Local Plan, at least identifying new sites for Household Recycling Centres or Waste Management Centres and making provision to upgrade existing sites, ensuring there is continuity of provision to deal with waste produced by new development.

Q10: 8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination

Q11: 9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.
